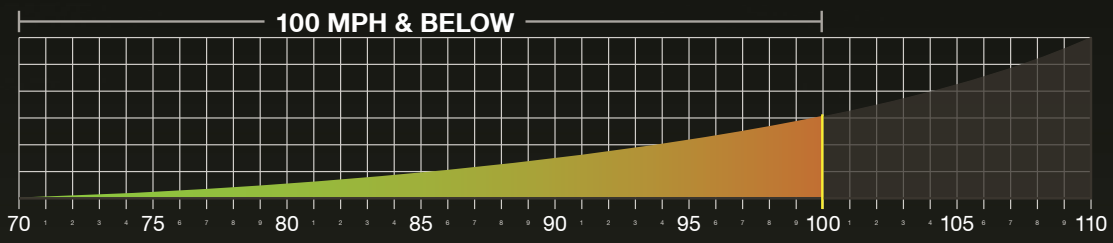
DIXON SPIRIT: GENUINE FINESSE

The world's first 100% eco-friendly golf ball designed for her. Spirit is the nexus of style, performance, enviornment - the elements of golf.

- Pure Performance
- 392 dimple pattern for pure control and maximum flight
- Crystal Pink Eco-cover™ provides exceptional feel and style
- Improved high-velocity GreenCore™ for added distance

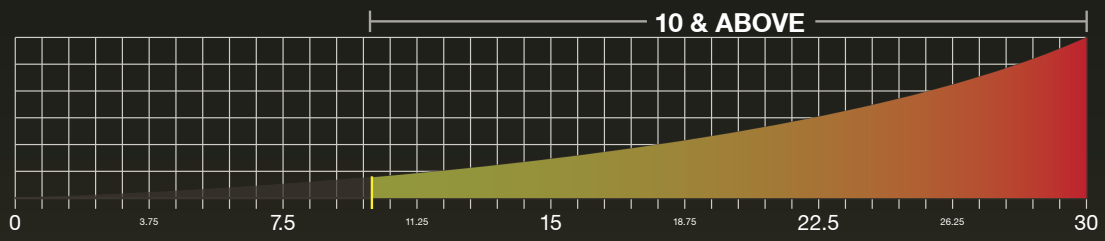
SWING SPEED (MPH)

The Dixon Spirit golf ball is best used by a golfer with a swing speed less than 100 MPH. While the Dixon Spirit golf ball will deliver exceptional distance, it will also provide you with great feel.



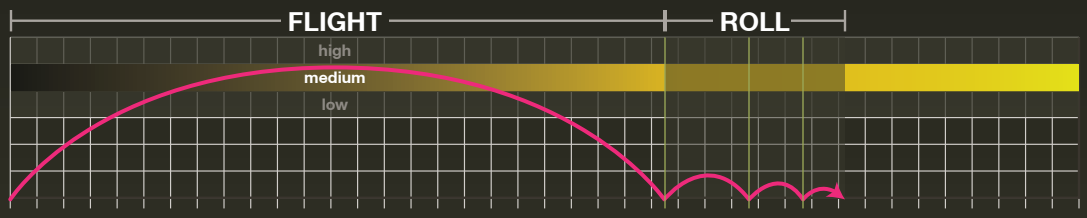
HANDICAP

The Dixon Spirit golf ball is best used by golfers with handicaps 10 and above. The Dixon Spirit golf balls deliver length off the tee and feel around the green.



TRAJECTORY

The Dixon Spirit golf ball has medium level trajectory and is suitable for most golfers.



FEEL (COMPRESSION)

The Dixon Spirit golf ball will give a soft feel for excellent playability.

8 IRON SPIN

The Dixon Spirit golf ball will allow the mid to mid-high handicap golfers more workability around the greens.
